TO VINDICATE HONOR OF HIS WIFE

Schiff Glad of Opportunity Afforded by Another Trial of His Valet.

"FALSE AND INFAMOUS SCANDALS."

Judge Parker So Characterizes Brandt's Claim that He Pleaded Guilty to Burglary to Shield a Woman—Plea of "Guilty" Withdrawn After He had Served 5 Years of a 30 Years Sentence—Action Said to be Unprecedented.

New York, Feb. 13.—After serving nearly five years in prison for burglary at the home of Mortimer L. Schiff, where he was formerly employed as valet, Foulke Brandt may be tried again to determine if he was guilty of the crime to which he confessed and for which he was sentenced to serve 30 years in prison.

Judge Orders Plea Withdrawn. Judge Otto A. Rosalsky of the court of general sessions, who sentenced Brandt to the long term, today ordered that Brandt's plea of guilty be withdrawn and in its stead a plea of not guilty be substituted.

Trial Court Had No Jurisdiction. Judge Rosalsky's action in the case came two hours after Justice Gerard of the supreme court had heard arguments for Brandt's release on a writ of habeas corpus and had reserved decision with the comment that he was "almost convinced" by the arguments, that the trial court had not had jurisdiction in sentencing Brandt on his plea, unsupported by evidence.

Wants Scandals Proved Untrue. A feature of the developments in the case was the appearance of Judge Alton B. Parker in behalf of Mortimer L. Schiff, who declared that the wealthy chief complaining witness in the case had become anxious to have it lifted to the bottom in order that "false and infamous scandals" might be proven untrue.

Justice Gerard to Hear Case. To complicate the unusual court proceedings, Governor Dix, who previously refused to interfere with the case of Brandt, late today appointed Justice Gerard to hear the case.

Judge Rosalsky Moved to Tears. In granting the motion for a new trial Judge Rosalsky broke down into tears with an impassioned statement of his side of the case, declaring that he had a record on the bench that would bear the closest scrutiny. He had been moved, however, by bitter attacks to pledge himself to aid a full and fair investigation of the whole Brandt matter.

Questions Supreme Court's Jurisdiction. Judge Rosalsky questioned the jurisdiction of the supreme court in the matter of release for Brandt and declared that he had authority to act on a motion for a new trial.

At the time the judge pronounced the defendant to a term of 30 years, he said, "I believed that the circumstances justified me."
